**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic because they are local therefore they care about their customers, they are competitive, and prove that true competition is best for all. When I call Sonic a real person answers the telephone an unheard of thing with the giant corporations. I'd had ATT, their billing was terrible, and they had zero customer service. Don't take the personal touch away.
